

Healthy and beautiful skin
sends a joyful message.

LEFAY SPA COSMETIC LINE “TRA SUONI E COLORI”

Lefay SPA dermatological cosmetic line “Tra Suoni e Colori” helps the skin to breath, allowing it to rediscover its natural beauty. For this purpose the products are rich in different natural colours, representing the best-known, precious and well experimented medicinal plants. The absence of colouring agents and chemical preservatives allows the formula to produce the essence of nature on the skin. Just like the Lefay SPA innovative wellbeing concept, the dermatological cosmetic line is aimed at creating products that are increasingly focused on the unique individual.

ANTI-AGE TRIPLE ACTION LINE

In the aging process the skin is the site most affected by genetic and environmental factors and their interactions that lead to morphological changes expressed as wrinkles, discolouration, and skin dryness. In these modifications are involved the skin balance barrier function, the highly specialised "skin immune system" and the genetic heritage, that is the DNA "cells heart and brain." Lefay SPA Anti-Age Triple Action cosmetic line products slow down the oxidative processes, support the natural defense mechanisms of the skin and protect the genetic heritage of the cells. Characterized by a high concentration of antioxidants, vitamins, phytocomplexes, hyaluronic acid and extra virgin organic olive oil, they cure the deeper layers of the skin and provide results over time. A natural lifting effect that gives the facial oval a younger and brighter look.

ANTI-AGE
