The Lefay SPA 🍴 menu has been created in collaboration with the Lefay SPA Scientific Committee to reduce metabolic demands and cleanse the body. The menus offer tasty and easily digestible combinations of no dairy, gluten-free and mainly prebiotic ingredients that foster the natural wellbeing of the gut flora. The selected used sweeteners are very low in calories, do not affect blood sugar levels and are therefore well tolerated by the body.

Our meals may contain allergens. For further information please contact our staff. The fish meant to be eaten raw is subjected to a blast chilling preventive treatment according to the rules prescribed by EC Regulation 854/2004. In order to assure the hygiene and food safety and the organoleptic properties of the product, our preparations can be subjected to blast chilling.
