## “The Upper Garda Lemon Groves”

Unique structures that bear witness to an era and a civilisation: in the lemon groves, typical buildings of the Upper Garda area, lemons were grown in the most northerly point of the world. They are examples of architectural structures that cannot be found elsewhere. In Gargnano you can find one of the oldest – still working – grove on the lake: “La Malora”. Here you will be greeted by the owners, who will reveal you the secrets of these ancient buildings. The tour of the lemon groves takes about 40 minutes. Afterwards, we suggest you discover the centre of Gargnano, just a few minutes' walk from the lemon groves and the lovely little harbour. The village of Gargnano is only 6 km from the Resort.

*Every day from 10 a.m. until 12 p.m. and from 4 p.m. until 6 p.m. / To be paid on site  
Shuttle Service: free of charge from 10 a.m. until 7 p.m., on request and subject to availability.*
